

## Section 3 - External Auditor Report and Certificate 2023/24

In respect of **Rearsby Parish Council**

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

### 2 External auditor limited assurance opinion 2023/24

Except for the matters below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

A review of the Finance Section on the Council's website has found that the Council has not fully met the requirement of the Accounts and Audit Regulations 2015, Regulation 13 (1) which states that the audited Annual Governance and Accountability Return should, on conclusion of the audit, be available for public access which includes publication on the Council's website. The Council amended their return in the prior year during the 2022/23 audit process however the amended version of the return has not then been published on the Council's website. The Council should bring this into line with the regulations as soon as practically possible.

Other matters not affecting our opinion which we draw to the attention of the authority:

On the initial submission of Section 2 of the Annual Governance and Accountability Return there was a typographical error contained within Box 9 for the current year (figure should have read £139,399 but it read £136). This was later corrected, resubmitted, and correctly republished on the Council's website, we have no further concerns in this area.

Incomplete information was provided with the initial supporting data submitted for review with regards to significant variances and the level of reserves held by the Council, which was later provided on request. The Parish Council should in future ensure that variances and reserves levels are considered thoroughly and explanations provided with the AGAR when submitted to the external auditor.

The internal auditor has provided a 'Yes' response at control objectives L and N on their report. This suggests that the Council correctly published all relevant documents on its website. As the Council currently has not published the audited 2022-23 return following amendments made during the 2022-23 limited assurance review, the answer to these points should have been 'No'.

The Council left a significant time period between approval of the Annual Governance and Accountability Return and the commencement of the Public Rights Period. The Audit and Accounts Regulations 2015, section 12 (3)(a) and proper practices require that following approval of the Return, the Public Rights Period should commence as soon as is reasonably practicable when taking into consideration the mandatory inclusion of the first 10 working days of July.

### 3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
